Varietal Composition

100% Malbec

Vineyard

Wine produced from 33 acres – 14 ha. - of vines located at the highest part of the plateau (1,000 feet high). Clay – limestone soil with iron oxide. **Biodynamic** viticulture (ECOCERT Organic label certification started over the whole vineyard in 2009). Leaf-thinning, green harvest, de-stemming. Mechanical and manual harvest: grapes triple sorting on sorting tables.

Vine Age : 35 years old (4000/5000 vines/ha)

Yield : 28 hl/ha.

Chambert cares about the environment

Winemaking

- Separate vat for each plot
- Gentle extraction through a slow pumping
- Slow fermentation with indigenous yeast (28/30°C)
- Post-fermentation maceration (15 to 20 days at 28/30°C)
- Malolactic fermentation in French oak barrels.

Aging

14 months (1/2 new French oak barrels, 1/4 second wine barrel, 1/4 third wine barrel), separate barrel lots for each plot. Estate bottled.

3,800 cases (46,000 bottles)

Analysis

- PH : 3.45
- Acidity : 3.72 g/l H₂SO₄
- Result sugar : 0.16 g/l
- Alcohol : 13.5 % Vol

Tasting comments

Very dense and bright purple color. Intense bouquet of black fruits white pepper and spices underlined by some smoked and mineral notes. Very fresh and tight structure with an impressive aromatic range. The tannins are ripe and elegant combined with a very long aftertaste.

Much more than a Cahors : a unique Malbec.

Decanter: Spurrier's world – Best Old World Red

Sensational old-vine Malbec. Smocky black-fruit nose with violet and licorice notes, with purity and finesse. Truly a grand vin.
